Domain Name Information Confirmation  
(Please do not reply to the sender)

Dear CN Domain Name User:

Thank you for registering for CN domain name.

According to the policy in Article 28th of "China Internet Domain Name Regulations": applicant for domain name registrant shall submit true, accurate and complete domain name registration information and sign a registrant agreement with domain name registrar. Upon completion of domain name registration, applicant of domain name registrant will become a registered domain name holder.

Domain name holder's true, accurate and complete domain name registration information is a certificate of rights for domain name transfer and information change. In order to protect your rights of being a domain name holder, please follow the prompts to confirm your domain name registration information.

**Registrant Information**

Domain Name: [REDACTED].cn

Registrant id: [REDACTED]

Registrant name: [REDACTED]

Registrant org: [REDACTED]

Registrar name: [REDACTED]

If your domain name registration information is true, accurate and complete, please click the following URL to confirm:

[http://remind.cnnic.cn/om/registantMail!confirmOk.action?id=702\[REDACTED\]47034383032](http://remind.cnnic.cn/om/registantMail!confirmOk.action?id=702[REDACTED]47034383032)

If the above URL is not responding, copy the link to browser's address bar to be connected.

For further questions, please send email to [service@cnnic.cn](mailto:service@cnnic.cn).

If domain name registration information is not being confirmed within 15 days in receipt of this notification, your domain name will be processed according to relevant provisions.
